

Peter's Denial

Clive Carter, Issy Van Randwyck, Peter Hickmet, Ph

I think I've seen you somewhere
I remember
You were with that man
They took away
I recognize your face You've got the wrong man, lady
I don't know him
And I wasn't where
He was tonight
Never near the place That's strange
For I am sure I saw you with him
You were right by his side
And yet you denied? I tell you
I was never ever with him
But I saw you too
It looked just like you I don't know him Peter don't you know what you have said
You've gone and cut him dead I had to do it
Don't you see?
Or else they'd go for me It's what he told us you would do
I wonder how he knew?
