

The Alien Song (For Those Who Listen)

[Milla Jovovich](#)

I see a shining....
A sweeping from the clouds
A glimmer of hope
Is coming to feel our lightOh look it's flashing
This life among the stars
Reaching out to know us
To feel our mightOh... this restless hope in you
Please... try and help us
Stand on our ownAs we stopped on this pavement
And saw your dying mind
Paper, for which you're killing brothers lifeHelp you, we cannot trust you
We cannot understand
Your people's proud destruction
Of their own landOh... we're flying on from you
We... will not stay to see your fateWatch them fly away
Watch them fly away
See the lines across the sky
Watch them fly... away
