(Verse 1)
We are your children, your sons and daughters
we humbly come to you.
We are your children called by your name
we turned and seek your face
we lay down our lives, turn from our ways
giving you honour and praise.
(Chorus)
We turn to you, we turn to you
hear us from heaven and heal our land
we turn to you, we turn to you
forgive our sin, establish your kingdom here
we turn to you.
(Repeat Verse 1)
(Chorus x2)
We turn to you, we turn to you
hear us from heaven and heal our land
we turn to you, we turn to you
forgive our sin, establish your kingdom here
we turn to you.
(Bridge x3)
We cast down every idol, we bow before your throne
You are the God of Nations; you rescue by your hands.
We cast down every idol, we bow before your throne.
You won't forsake your people, and you will heal our hands.
(Chorus)
We turn to you, we turn to you
Hear us from heaven and heal our land.
We turn to you, we turn to you
Forgive our sins, establish your kingdom here
we turn to you.
