

# Please Come Home for Christmas

## Steps

Bells will be ringing this sad sad news  
Oh what a Christmas to have the blues  
My baby's gone I have no friends  
To wish me greetings once agains will be singing "Silent Night"  
Those Christmas carols by candlelight  
Please come home for Christmas  
Please come home for Christmas  
If not for Christmas by New Years night Friends and relations send salutations  
Just as sure as the stars shine above This is Christmas, Christmas my dear  
The time of year to be with the ones you love So won't you tell me you'll never more roam  
Christmas and New Years will find you home  
There'll be no more sorrow, no grief or pain  
And I'll be happy, happy once again  
Oh there'll be no more sorrow, no grief or pain  
And I'll be happy, happy once again
