Lies (feat. Lime Kid)

Myhre

Our missions in regret
Are with me now
I'm running [?]

I tried to cut the rope
I'm going in
Still in my mind

Your lies
Your lies

Time will heal
I will [?]
And once I see your eyes

I live on
In the west
I want to live on less

Time will heal
I will [?]
And once I see your eyes

I live on
In the west
Still in my mind

Your lies
Your lies

Your lies
Your lies
