

Forever Love

Taio Cruz

Should we say go?
Should we say stay?
Do we stand tall?
Or do we fade away?
Do we keep on?
Or Do we fall down?
I won't say goodbye
I won't say that now(I'll keep loving you forever
Because I swore I would
You know my word is good) [x2]Love you
(Forever and ever love you) [x8]Should we say go?
Should we say stay?
Do we stand tall?
Or do we fade away?
Do we keep on?
Or Do we fall down?
I won't say goodbye
I won't say that now(I'll keep loving you forever
Because I swore I would
You know my word is good) [x3]Love
