

Make Love

Keri Hilson

Love, love, love
Love, love, love
Love, love, love
Oh baby, oh baby Love, love, love
Love, love, love
Love, love, oh baby, oh baby Tonight we're gonna do somethin' different
Tonight we're gonna touch a little different
I'm gonna wait on you hand and foot, like the king you are, baby
Just lay back and I'll show you the way 'Cause tonight we're gonna kiss a little different
I'm gonna make your body feel a little different
I hope you're ready, ready, ready, ready for love
Oh, 'cause we gonna make Love, love, love
Love, love, love
Love, love, love
Oh baby, oh baby
(Oh, we gonna make love) Love, love, love
Love, love, love
Love, love, oh baby, oh baby I see it in your eyes that you're surprised now
I'm gonna put this thing on you, I'll blow your mind out
And just watch how your body shake
Don't stop it, just let it shake, I'll control your body tonight 'Cause I know nobody ever touch your body like me
And what I done to you baby, I'll promise you'll never leave
'Cause you wouldn't know what to do with yourself
After one night with me, oh, we gonna make Love, love, love
(Oh, we gonna make love)
Love, love, love
Love, love, love
Oh baby, oh baby
(Oh, baby) Love, love, love
Love, love, love
(You ready? I'm ready?)
Love, love, oh baby, oh baby All the ladies in the house tonight
Look at your men and tell 'em, "Ooh baby, tonight
We gonna make love, we gonna make love" All the fellas in the house tonight
Look at your girl and tell 'em, "Baby tonight
We gonna make love, we gonna make love" Love, love, love
Love, love, love
(We gonna make love)
Love, love, love, oh baby, oh baby

Love, love, love
(Yes, we are)
Love, love, love
(We gonna make love)
Love, love, oh baby, oh baby
(Everybody say we gonna make love)
