

# Intro (+ OG Double D) (prod. Stack Boy Twaun)

## Young Scooter

I was born in '86 nigga just like Drake  
From the bottom now I'm here just like Drake  
80's baby you know this my ninth mixtape  
Real talk I know a boss in every city and state  
Cheek knows [?] the bricks and [?] that OG Kush I roll that wet  
Nya Nya Nya Nya Nya  
What the fuck he said oh yeah you know that music wet  
You know No DJ on this tape I had to bring the streets back  
It was a drought in every hood I had to flood the streets with crack  
Yelling out the drop top "Free Guwop" (Free Guwop)  
Count music built my own lane in hip hop  
You rappers think and write your lyrics I come right off the top  
The shit I rap about for real and yesterday serving block
