Let There Be Light

Third Day

You spoke and your words brought us life
You saw and you said that it was good
Somehow we have broken your design
And Father we are praying that you would
Speak to us once more
Bring your life againLet there be light where there is darkness
Let there be hope when there is none
Let there be peace in the midst of sorrow
Let there be love to bring us back home
To bring us back homeLet all behold the precious Lamb of God
Who takes away the sins of the world
O none of us are worthy of your love
Still you offer more than we deserve
Let there be light where there is darkness
Let there be hope when there is none
Let there be peace in the midst of sorrow
Let there be love to bring us back home
To bring us back home
To bring us back home
Let there be light to bring us back homeThere is one light
There is one Saviour of the world
There is one hope
His name is Jesus, Jesus
There is one light
There is one Saviour of the world
There is one hope
His name is Jesus, Jesus
Let there be light where there is darkness
Let there be hope when there is none
Let there be peace in the midst of sorrow
Let there be love to bring us back home
To bring us back home
To bring us back home
Let there be light to bring us back home
