

Cloud Connected

In Flames

People like you
You live in a dream world
You despise the outside
And you fear the next oneIts in your dream
Theres just one question
Should I kill
Or should I be left behind?Sick and tired
Of all your complaints
This is the hour
We bring it downIve come to realize
With every little glimpse you fade
I was told that I could fly
When least expected, cloud connectedYou seem to be
So introverted
How come we fail
With all that is givenYou crossed the line
You remember my name
Time runs backwards
As we're heading that wayI've come to realize
With every little glimpse you fade
I was told that I could fly
When least expected, cloud connectedWhy don't you realize
With every little glimpse you fade
I was told that I could fly
When least expected, cloud connected
