## **Cloud Connected**

## **In Flames**

People like you You live in a dream world You despise the outside And you fear the next oneIts in your dream Theres just one question Should I kill Or should I be left behind? Sick and tired Of all your complaints This is the hour We bring it downIve come to realize With every little glimpse you fade I was told that I could fly When least expected, cloud connectedYou seem to be So introverted How come we fail With all that is givenYou crossed the line You remember my name Time runs backwards As we're heading that wayI've come to realize With every little glimpse you fade I was told that I could fly When least expected, cloud connectedWhy don't you realize With every little glimpse you fade I was told that I could fly When least expected, cloud connected
