

# We're Gonna Groove

## Led Zeppelin

Hear my baby comin' down the track  
Betcha my baby's comin' back  
Someday she'll get back to me  
We're gonna raise a family  
We're gonna groove, Yeah groove  
Yeah we're gonna groove  
We're gonna love... until the break of day  
Sweet as sweet as sweet can be  
You don't know whatcha do to me  
Let me say you're my one desire

You just set my soul on fire  
Oh we're gonna groove, Yeah groove  
Yeah we're gonna groove  
We gonna love... until the break of day  
Sweet as sweet as sweet can be  
Lemme tell ya you don't know whatcha do to me  
You just set my soul on fire  
Woman you know you're my one desire...  
We gonna groove... (repeat)
