

Fear of Anarchy

Sleaford Mods

The concrete is dry as it seems
It ain't no difference to the freedom of your dream
Don't gimme this ?
?What does it take to make it all go wrong?
?Get you
The fear of anarchy
Get you
? away from me (x2)I am nothing no really really
I am ?
?
The prince of Persia ?What does it take to make it all go wrong?
?Get you
The fear of anarchy
Get you
? away from me
