Angel of Darkness

Holyhell

Darkness calls my name
The one who walks in flame
Blood of ancient serpents riseWings spread above the slain
Where fallen angels reign
They live in terror of the lightWhen you feel crucified
Know your fear is aliveAngel of Darkness
Standing in the light
I see Satan
Ruler of night
Flames of hell burn high
Rising to the sky
A veil of death cloaks the nightWings spread above the slain
Where fallen angels reign
They live in terror of lightWhen you feel crucified
Know your fear is alive
Angel of Darkness
Standing in the light
I see Satan
Ruler of nightChorus Repeats
Angel of Darkness, Angel of Darkness
