

Waltzing Back

The Cranberries

Who gave them the right,
Waltzing back into your life,
Your life,
Your life?
Now I feel fear,
I wish that they'd never come here,
Here,
Here.
What they're gonna do,
what they're gonna say,
Taking you away
From my life, my life, my life?
What they're gonna do,
what they're gonna say,
Taking you away
From my life, my life, my life?
What they're gonna do,
what they're gonna say,
Taking you away
From my life, my life, my life?

I don't want to know.

I don't want to say.

I don't want to say

'Cause it's your life, your life, your life.

Who gave them the right

Turning it back into light,

Light,

Light?

Then I felt fear,

I wish that they'd never come here,

Here,

Here.

Who gave them the right,

The right,

The right?
