

Love Is A Killer

Vixen

Only a fool believes it's better to have loved and lost
Than never to have loved at all
So I don't wanna take that fall
It's a long, long, long way down I'm hurt, love struck me down again, enticed me in and pulled the pin
Blew my tender heart sky high
Now in my pain I'm askin', "Why?" as I'm cryin'
Should I give it my last try or say goodbye? Love is a killer, a homicidal fiend
Love is a killer, it'll be the death of me
I got a target on my back for a cupid dressed in black
Love is a killer, it's killin' me Love, so sweetly beckonin' I've seen your face
Called your name I tasted tears you cried
Lived in shadows in my mind, frozen here in time
Don't leave me here to die Love is a killer, a homicidal fiend
Love is a killer, it'll be the death of me
I got a target on my back for a cupid dressed in black
Love is a killer, it's killin' me You fascinate and yet frustrate, demand so much of me, yeah
I've had enough, it's tearin' me up inside
Cross my heart, hope to survive
You got a smokin' gun, well don't shoot me love, no, woh You're a killer, a homicidal fiend
Love is a killer, it'll be the death of me
I got a target on my back for a cupid dressed in black
Love is a killer Love is a killer, no, love is a killer, no, no
I got a target on my back for a cupid dressed in black
Love is a killer
It's killin' me, aah
