

# Happy Man (GH2 Edit) [Remastered Version]

## Chicago

Merely by chance  
Very unsuspecting  
You caught my heart  
Unprotecting me  
Now I've fallen in love with you Just when I thought  
I was free and easy  
You came along to me  
Soft and breezy Now I've fallen in love with you  
Woo hoo  
I've fallen in love with you And for the first time in my life  
I know what it's like to be a happy man  
Happy man  
And for the first time in my life  
You've given me something I can't understand  
Being a happy man Be with me now  
Love me forever  
Leaving you lady  
Is something that I'd never do  
I've fallen in love with you All of my life it seems I have waited  
Now I can say all these words I have stated are true  
I've fallen in love with you  
Woo hoo  
Fallen in love with you woo hoo
