

So Eazy

Chris Webby

I came to pass the blunt around (blunt around)
I fuck around (fuck around)
Pour up a full cup and chug it down
Homie that was yesterday (yesterday), so they wonder how (wonder how)
I can do this every single time I come around
But itâ€™s so eazy when youâ€™re W-E-B-B-Y
Eazy when youâ€™re W-E-B-B-Y
Eazy when youâ€™re W-E-B-B-Y
Eazy when youâ€™re W-E-B-B-Y

Yeah Iâ€™m puffing loud, got me buzzing now
Iâ€™m just trying to do some shit that makes my mother proud
Live from the underground, met with all the labels
And they said I could make a million dollars if I dumbbed it down
But I said â€œfuck that!â€• Iâ€™ma do it Webâ€™s way
â€˜Cause Iâ€™m fucking dope, well at least thatâ€™s what my friends say
Lyrically a sensei, muy caliente, comprende?
Thursday to Wednesday I be so crazy
Itâ€™s not what I try for but itâ€™s my business
Homie you should mind yours
I couldnâ€™t lose my mind more
Jumping out the window on the 9th floor
Now theyâ€™re saying they gotta send me to the psych ward
Straightjacketed, a battle it ainâ€™t happeninâ€™
That be like seeing Drake and Rampage in a cage match
And Iâ€™ve been put up on this planet to ramble and raise havoc
With a bottle and an eighth a day habit

Y-O-U-N-G veteran, everytime Iâ€™m stepping in
Cold as the toes of a penguin
Bad to my skeleton, bad to the bone as Iâ€™ve ever been
Feet up on the throne that Iâ€™ve settled in
Running off of adrenaline and unprescribed medicine
Lighting up an L again and hit it til my headâ€™ll spin
Started with a crumpled up Lincoln and now itâ€™s Benjamins
Used to be a loser but now the world is watching Webby win
Itâ€™s so easy, veni, vidi, vici
Young Houdini, rabbit in my three piece
Used to be on YouTube, now Iâ€™m up on TV

Everybody spell it out, itâ€™s W-E-B
Add another B-Y, youâ€™re about to see why
Iâ€™m a giant, start my sentences with â€œfee-fiâ€•
Fo fum, go dumb, putting work in
So itâ€™s time you met the man behind the curtain

Killinâ€™ this game since it ainâ€™t love us
I do it so easy, it ainâ€™t nothing, I tell em it ainâ€™t nothing
I see you dropped your new shit but it ainâ€™t buzzinâ€™
Iâ€™m killing this game since it ainâ€™t love us
I do it so easy, it ainâ€™t nothing
I tell em it ainâ€™t nothing, I tell em it ainâ€™t nothing
