She's My Baby

Ouh!Uuuuuuh!Spinster, she gives you the eye
Sister, seek and desireStart giving again
But there's nothing I can doOh, she's my baby
Oh, she's my baby(Instrumental)Spinster, she wants to know why
Sister, she wants you to dieStart giving again
And there's nothing she can doOh, she's my baby
Oh, she's my baby
Oh, she's my baby
Oh, she's my baby(Instrumental)Oh, she's my baby
Oh, she's my baby (yeah)
