The Boswell Sisters

Let's get goin', Louisiana hayride
Let's get goin' now, we're readyLet's start somethin', Louisiana hayride
Let's start callin' the rollI like that sport
 Sittin' in the hay
 Lovin' it away, oh
 The time is short
 Crack your whip
Get your little buggy to goSaid, let's start somethin'
 Louisiana hayride
We're just rarin' to goRound and round, "Let's go to town"
 Said, Louisiana hayride for me
 Get goin', Louisiana hayride
Get goin', we always readyStart somethin', Louisiana hayride
 No use callin' the roll
 La la la la, la la la la
 La la da dumLike that sport
 Sittin' in the hay
 Lovin' it away, oh oh
 Oh, the time is short
 Crack your little whip
Get your little buggy to goSaid, let's start somethin'

Get goin', Louisiana hayride
 No use callin' the roll
 La la la la, la la la la
