

Magic (Piano Version)

Colbie Caillat

You've got magic inside your fingertips
It's leaking out all over my skin, yeah
Every time that I get close to you
You're making me weak with the way you look through those eyes
But all I see is your face
All I need is your touch
Wake me up with your lips
Come at me from up above
Yeah, oh, I need you
I remember the way that you moved
You're dancing easily through my dreams
It's hitting me harder and harder with all your smiles
You are crazy gentle in the way you kiss
And all I see is your face
All I need is your touch
Wake me up with your lips
Come at me from up above
Oh baby, I need you to see me the way I see you
Love me wide awake in the middle of my dreams
And all I see is your face
All I need is your touch
Wake me up with your lips
Come at me from up above
And all I see is your face
All I need is your touch
Wake me up with your lips
Come at me from up above
All I see is your face
All I see is your face
All I see is your face
