Flawless

The Neighbourhood

She planned ahead for a year, he said "Let's play it by ear"
She didn't want him to run, he didn't want her to fear
Nobody said it'd be easy, they knew it was rough
But, tough luckI fell in love today, there aren't many words you can say
That could ever get my mind to change
She's enough for me, she's in love with meYou're a doll, you are flawless
But I just can't wait for love to destroy us
I just can't wait for love
You're only flaw, you are flawless
But I just can't wait for love to destroy us
I just can't wait for loveSo, she put his heart in a bag, he wouldn't ask for it back
He didn't want her to cry, she didn't want to be sad
She said, "You better not leave me"
This shit'll be fucked for days and weeks and months, butI fell in love today, there aren't any words that you can say
That could ever get my mind to change
She's enough for me, she's in love with meYou're a doll, you are flawless
But I just can't wait for love to destroy us
I just can't wait for love
You're only flaw, you are flawless
But I just can't wait for love to destroy us
I just can't wait for loveAdd it all up, I can find it
The problem with love is I'm blinded by
It rattles my lungs, but my mind is
Tangled between your little flaws
Your flaws, your flaws, your flawsYou're a doll, you are flawless
But I just can't wait for love to destroy us
I just can't wait for love
You're only flaw, you are flawless
But I just can't wait for love to destroy us
I just can't wait for loveWait for love, I won't wait for love
Wait for love, I won't wait for love
Wait for love
