

Glory Hallelujah

The O.C. Supertones

Well, the whole world is singin'
And the night sky testifies
But man doesn't understand
His purpose is to glorify
I won't sit around while my life is passin' by
I might not get it right but I'm gonna try
So now my heart is poundin'
And my mind is on the same page
I don't wanna be like everybody my age
The stones will be cryin' out
If I shut my mouth
Before they can do it
I wanna beat 'em to it Jesus here I am
Comin' to You from a broken man
We're gonna sing, 'Sweet Glory Hallelujah'
I just wanna stand
Get up and shout and raise my hands
We're gonna sing, 'Sweet Glory Hallelujah' Well, it's high time You and I were livin' with a passion
This time maybe we can turn our talk into action
I won't sit around while my life is passin' by
I might not get it right
But I'm gonna try I got my eyes wide open and my soul is on fire
And I need a little music that'll take me higher
The stones will be cryin' out
If I shut my mouth
Before they can do it
I wanna beat em to it Jesus here I am
Comin' to You from a broken man
We're gonna sing, 'Sweet Glory Hallelujah'
I just wanna stand
Get up and shout and raise my hands
We're gonna sing, 'Sweet Glory Hallelujah'
