

# Don't Ever Change

Bryan Ferry

You never wear a stitch of lace  
And powder's never on your face  
You're always wearing jeans except on Sunday  
Oh please don't ever change  
No don't you ever change I kinda like you just the way you are  
You don't know the latest dance  
But when it's time to make romance  
Your kisses let me know you're not a tomboy  
So please don't ever change  
No don't you ever change Oh promise me you're always gonna be  
As sweet as you are  
I love you when you're happy  
I love you when you're blue  
I love you when you're mad at me  
So how can I get tired of you? A lot of other girls I've seen  
They know how to treat guys mean  
But you would rather die than ever hurt me  
So please don't ever change  
No don't you ever change
