Leave Yourself for Somebody Else

Phantom Planet

All these winter days barely go by
All the light has gone I don't know why
Now I need a friend to do me right or ride on inYou need a helping hand to hold
To lead you out to take control nowCome and visit
Leave yourself for somebody else
'Cause I'm a prison
Leave yourself for somebody elseWhen your heart beats under your skin
This time don't be so afraid of losing it
Now I need a friend to cut me out, color me inYou need a helping hand to hold
To lead you out to take control nowCome and visit
Leave yourself for somebody else
'Cause I'm a prison
Leave yourself for somebody elseYou want out I can tell
Leave yourself for somebody elseYou need a helping hand to hold
To lead you out to take control nowCome and visit
Leave yourself for somebody else
'Cause I'm a prison
Leave yourself for somebody elseYou want out I can tell
Leave yourself for somebody else
Well, we've all been there and it's hell
So leave yourself for somebody elseLeave yourself for somebody else
Leave yourself for somebody else
Leave yourself for somebody else
Leave yourself for somebody elseLeave yourself for somebody else
Leave yourself for somebody else
Leave yourself for somebody else
