## **Woke Up This Morning**

## **Nickelback**

I paid my last respects this mornin' on an early grave
Already said goodbye, nothin' left to say
A tiny church a tiny town and not a tear was spent
Not how I wanted it, I'm hating all of this Well I'm hating all of this
I'm hating all of this

All of this, all of thisNow I know why I hide my love from you some days
No I don't mind keeping this bottled inside me
You came along and tore this wall down around me

Looks like you found me

Now I know why I felt like shit when I woke up this morningI've been a loser all my life, I'm not about to change

If you don't like, there's the door, nobody made you stay
There ain't a woman on the planet who can deal with it
Just how I wanted it, I'm hating all of this Well I'm hating all of this
I'm hating all of this

All of this, all of thisNow I know why I hide my love from you some days
No I don't mind keeping this bottled inside me
You came along and tore this wall down around me

Looks like you found me

Now I know why I felt like shit when I woke up this morningAll of this, all of thisNow I know why I hide my love from you some days

No I don't mind keeping this bottled inside me
You came along and tore this wall down around me
Looks like you found me
Now I know why I felt like shit when I woke up this morning
