

# I Don't Know

## Slum Village

I don't know  
Yo, yo, yo I don't know why the fuck I'm fuckin' wit you

See I don't know why the fuck I'm fuckin' wit you  
See I don't know why the fuck I'm fuckin' wit you  
You, you, you Could ask my man, T3, I ain't the one to be

And no time for acting, funky, with me  
You best believe that you won't, do it I'm influenced to like uh, you know  
And then I pick up the phone shit, I don't know  
She walks by casual says my loot is usual  
Battin' says it's him too To all my ladies in the place, I mean your whole crew is like yeah  
You know the S is my crew we rule, what man you know  
We got a whole flock of niggas with glocks, you know  
But I don't know why I'm fucking with you Yo I don't know why the fuck I'm fuckin' wit you  
See I don't know why the fuck I'm fuckin' wit you  
See I don't know why the fuck I'm fuckin' wit you

Say whatever you doin', you doin' it well

But you constantly do your bad self  
Also you, love to, eh, eh

To all my people in the place if you need to know I

You know my number is 3 2 1 1 7 8 8 Yo, yo, why I'm fuckin' wit you
