O What A Thrill

The Mavericks

Oh girl, any moment I may kiss your lips
Oh, it's been a while since I felt like this
Oh girl, please don't refuse me
Oh, I'm so scared you willOh, what a thrill
Oh, what a thrill
Stars in the sky
Stars stand still
Oh, what a thrillWoman, words fail me, your skin is sweet and warm
I want to console you and hold you in my arms
Oh, once you, you were my baby
Oh, you're my, my baby stillOh, what a thrill
Oh, what a thrill
Stars in the sky
Stars stand still
Oh, what a thrillOh, what a thrill
Oh, what a thrill
Oh, what a thrill
Oh, what a thrill
Oh, what a thrill
Oh, what a thrillOh, what a thrill
Oh, what a thrill
Oh, what a thrill
Oh, what a thrill
