Over & Out

Cary Brothers

I'll give you everything you wanted
That's what you said, your words of weight
And what's this temple that you started
Your blessings gained by our mistakes
Over and out
I gave my soul for you
Taking it back
I can't pay for faith with dues
Your house is a wreck
An open door for fools
New messiah
You can't save my soul
You're playing God, is it your ego?
Or just a way with others' pain?
That caring smile becoming see through
I watch you fake and entertain
How dare you divide us

With fear through grace?
What gives you the right
To decide my fate?
Over and out
I gave my soul for you
Taking it back
I can't pay for faith with dues
Your house is a wreck
An open door for fools
New messiah
You can't save my soul
I'll pray for you as I walk away
I've claimed my soul
Oh, oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh
Oh, oh
