

# Hate

## Una

I hate, I hate  
and I hate to hate you  
I wait, I pray, I hope, Iâ€™^stay  
and still every day  
Iâ€™^cry, Iâ€™^bury brothers  
that no longer breathe, except hate

My leader  
my leader pledges  
that we have just begun  
and what will it take  
what will it take

So it was in this desperation  
I decide to reach out my hand  
alone we can do nothing  
together we can do something

Iâ€™^TMm tired, Iâ€™^TMm tired, tired

I hate, I hate  
and I hate to hate you  
I wait, I pray, I hope, Iâ€™^stay  
and still every day  
Iâ€™^cry, Iâ€™^bury brothers  
that no longer breathe, except hate

My leader  
my leader pledges  
that we have just begun  
and what will it take  
da-da da-da

So itâ€™^TMs in this desperation  
I decide to reach your hand  
seperate we can do nothing  
together we can do something

Tired, Iâ€™^TMm tired, tired  
Because Iâ€™^TMm tired, tired

Because Iâ€™m tired

Tired of hating
