

Find a Way to My Heart

Phil Collins

Find a way to my heart and I will always be with you
From wherever you are, I'll be waiting
I'll keep a place in my heart, you will see it shining through
So find a way to my heart and I will, I will follow you This journey's not easy for you, I know
If your footsteps get too faint to hear, I'll go 'Coz you know, questions are never that easy
And never the same
Will you have the answer believe me
If you have the faith? Find a way to my heart and I will always be with you
From wherever you are, I'll be waiting
I'll keep a place in my heart, you will see it shining through
So find a way to my heart and I will, I will follow you Time may come and time may go, I know
Even if you should call out for me, I'll go But you know, there is a code to be broken
I wrap it around
Without a word being spoken
Without a sound There's a reason I hide my heart
Its out of sight, out of mind
And when I find out just who you are
The door will be open for you to Find a way to my heart and I will always be with you
From wherever you are, I'll be waiting
I'll keep a place in my heart, you will see it shining through
So find a way to my heart and I will, I will follow you Oh, find a way to my heart and I will always be with you
From wherever you are, I'll be waiting
I'll keep a place in my heart, you will see it shining through
So find a way to my heart and I will, I will follow you
