

# Hot Persuasion

## Uriah Heep

You know you light my candle  
You know you load my gun  
You're way too hot to handle  
There's nothing we ain't done

Give me your love  
Give me that hot persuasion  
I can't get enough  
Give me that hot persuasion

Give it to me  
Mouth full of hot persuasion  
You face me upside down  
A love for all occasions  
You won't catch me foolin' around

Give me your love  
Give me that hot persuasion  
I can't, can't get enough  
Give me that hot persuasion

I need to know you're near me  
I need you by my side  
You keep my tank on empty  
You keep me up all night

Give me your love  
Give me that hot persuasion  
Oh no, can't get enough  
Give me that hot persuasion

Give me your hot persuasion  
I can't get enough, get enough  
I've done hot persuasion
