

# Romance Dawn

## Radkey

Hey, hey  
There's a fire and it's running, coming in here  
(Hey)  
Hey, hey  
There's a fire and it's running, coming in here  
(Hey)  
Hey, hey  
There's a fire and it running  
(Hey)  
Hey, hey now  
Hey, hey now  
Hey, hey now  
Hey, hey now  
Hey, hey now  
Hey, hey now  
Hey, hey  
There's a fire and it's running, coming in here  
Hey, hey  
There's a fire  
And the fire coming has no fear  
Hey, hey  
There's a fire and it coming  
Hey, hey now  
Hey, hey now  
Hey, hey now  
Hey, hey now  
Hey, hey now  
(WAAAAAAH!)  
Hey, hey now  
Things are burning up  
People burning down  
Hey, hey now  
Burning out of luck  
Gonna wear the crown  
Hey, hey now  
Things are burning up  
(Hey, hey)  
Now  
(Hey, hey)

(Hey, hey)  
Hey, hey  
There's a fire and it's running, coming in here  
Hey, hey  
There's a fire  
And we're gonna make it disappear  
Hey, hey  
There's a fire and it's runnin'  
He's got no chance  
Still got a romance  
He's no doubt  
Time is running out  
Screaming out  
(WAAAAAAH!)  
Hey, hey now  
Things are burning up  
People burning down  
Hey, hey now  
Burning out of luck  
Gonna wear the crown  
Hey, hey now  
Things are burning up  
(Hey, hey)  
Now  
(Hey, hey)  
(Hey, hey)  
Hey, hey now  
Things are burning up  
Hey, hey now  
Things are burning up  
Hey, hey now  
Things are burning up  
Hey, hey now  
Things are burning up  
Hey, hey now  
Things are burning up  
(Hey, hey, hey, hey)  
Hey, hey now  
Things are burning up  
(Hey, hey, hey, hey)  
Hey, hey now  
Things are burning up  
(Hey, hey, hey, hey)  
Hey, hey now  
Things are burning up  
(Hey, hey, hey, hey)  
Hey, hey now  
Things are burning up

Hey, hey now  
Things are burning up  
(Hey, hey, hey, hey)

Hey, hey now  
Things are burning up  
(Hey, hey, hey, hey)

Hey, hey now  
Things are burning up  
(Hey, hey, hey, hey)

Hey, hey now  
Things are burning up
