For God's Sake

Dizzy Mizz Lizzy

(Track 13 on "Dizzy Mizz Lizzy")Here we are
in the middle of the night
single's bar
and the madman is out to get meLoosen up
with a bottle of beer
but wait now stop
there's a big chick coming over to see meShe wants my love for just one night
I should say no but said alrightAnd we're not lovers for God's sake
and teasin' isn't fair
I don't love her for God's sake
and I don't really careBut her mind's out of lineSinkin' low
in the middle of the night
here I go
and the madman is out to get meIn a storm
in the middle of the night
on the run
and the madman is out to get meShe wanted my love for just one night
I should say no but said alrightAnd we're not lovers for God's sake
and teasin' isn't fair
I don't love her for God's sake
and I don't really careBut her mind's out of lineLyrics by Tim Christensen
