Survive or Die

Nekromantix

I met her in a bar - it was love at first sight
I went to bed with her, yeah, the very first night
Tell me the truth doctor, please don't lie
Is it serious - will I survive or will I dieSurvive or die
Will I survive or will I die
Will I survive or will I die
Will I survive or will I dieShe said to me "we don't need no protection"
I trusted in her words, blinded by her affection
There is nothing I can do no matter how hard I try
An angel of death she was, all I can do is crySurvive or die
Will I survive or will I die
Will I survive or will I die
Will I survive or will I die
