This Little Piggy

Rasputina

This little piggy went to market
This little piggy had roast beef
This little piggy stayed home
And this little piggy had none
All the way home home home
This piggy cried wee wee wee
This piggy cried wee wee wee
All the way home home home
Where oh where was the market
All the way home
What'd the piggies call home
And how come they're crying all alone
Who made the roast beef for the piggies
This piggy cried wee wee wee
All the way home home home
This piggy cried wee wee wee
All the way home
All the way home home home
All the way home home home
All the way home home homeBarber, barber shave a pig
Four and twenty should be enough
How many hairs does it take to make a wig?
Give the barber a pinch of snuffThis little piggy went to market
This little piggy stayed home
This little piggy had roast beef
And this little piggy had none
Wee wee wee all the way home
This little piggy went to market
This little piggy stayed home
This little piggy cried and cried and cried
This little piggy had roast beef
And this little piggy had none
This little piggy cried and cried and cried
Wee wee wee
Wee wee wee all the way home
Wee wee weeWee wee wee all the way homeWee wee wee all the way home
