Da-da-da-da-da-da-daaaaa-daaa-da-da-da-daI need you, yeah
You can doubt the rainfall
When you see the ground is wet
Just like that, oh you cant forget- how I feel about you girl
So you cant doubt that I would call
Right in the nick of time
You cant doubt you on my mind, Im thinking about you girlWeve been down this road before (this road before)
But if you doubtful let me reassure
I need you like the air
I need you free (need you free) made just for me (for me) and
I need you like the skies, needs sun to shine (to shine)
That you are mine (are mine)
Cos I need you, I need you
And you know
Oh yeah, yeah
Oh yeah, yeah
Oh yeah, yeah
I need you, I need youYou can doubt that I will be, the answer to what you need
I wont freeze, girl when you need me
I wont leave, and
You can doubt that Ill ease all your worry and all your fears
In a hurry, oh
Ill be here, Ill be hereWeve been down this road before (this road before)
But if youre doubtful let me, let me reassure
I need you,
I need you like the air
I need you free, made just for me and
I need you like the skies, needs sun to shine (to shine)
That you are mine (are mine)
Cos I need you, I need you
And you know

Oh yeah, yeah
Oh yeah, yeah
Oh yeah, yeah
I need you, I need youLike the entry way, that your heavens gave
I need you to, open up,
I need to be, inside your love
Lying face to face
What more can I say
That I need you more than ever, I need you in every way
I need you like the air
I need you free, made just for me and
I need you like the skies, needs sun to shine (to shine)
That you are mine (are mine)
Cos I need you, I need you
And you know
Oh yeah, yeah
Oh yeah, yeah
Oh yeah, yeah
I need you, I need youAnd you know
Oh yeah, yeah
Oh yeah, yeah
Oh yeah, yeah
I need you, I need you
