Churches falling
Angels scowl
Crusaders in a foreign land
Gargoyles cry
The old priest lied
Cathedrals in the sand
Too brave to live
Too young to die
The stone walls understandBFBS radio
R and R not long to go
Forces sweetheart cheerio
Daddy he is coming back
And we will wave a union jack
To welcome our hero homeChristmas bells
Heaven or Hell
Salaam or be damned
Auld lang syne
One last time
Hold my hand
A call to prayer
But who dares
Behold the man?Apocalypse now
If Westminster allows
A green unpleasant land
Dressed to kill
But dancing still
To the military band
Too brave to live
Too young to die
Is this the Promised Land?
