

# I Miss You (Singalong Version)

[Klymaxx](#)

I thought I heard your voice yesterday  
When I turned around to say  
That I loved you then I realized  
And it was just my mind  
Playing tricks on me It seems colder lately at night  
And I try to sleep with the lights on  
Every time the phone rings  
I pray to God it's you  
I just can't believe  
That we're through I miss you (I miss you)  
There's no other way to say it  
And I, and I can deny it  
I miss you (I miss you)  
It's so easy to see  
I miss you and me Is it done and over this time?  
Have we really changed our minds  
But it's all this love  
All the feelings that we used to share  
I refused to believe  
That you don't care I miss you (I miss you)  
There's no other way to say it  
And I, and I can deny it  
I miss you (I miss you)  
It's so easy to see I've got to gather my senses together  
I've been through worse kinds of weather  
If it's over now, be strong  
I can't believe that you're gone  
I've got carry on I miss you (I miss you)  
Oh no other way to say it  
And I, and I can deny it  
I miss you (I miss you)  
It's so easy to see  
That you're part of me now No other way to say it  
It's so easy to see  
That you're part of me now  
It's driving me crazy  
It's so easy to see  
That you're part of me now  
That you're part of me now I miss you (I miss you)

It's driving me crazy  
I don't want to live without you  
I miss you (I miss you)  
It's so easy to see  
I'm missing me
