Combat

Deftones

This time, your finger pointed right at you
Which side are you on? Which side are you on?
I asked you what side you wanted on
Which side are you on? Which side are you on?
Waste of time, don't believe
Can't decide to hit the ground
Make your mind, it's holding me down
(And always did)
Down
(And all we get)
Down
This time you think it pointed right at you
Whose side are you on? Whose side are you on?
I asked you what side did you point it at
Whose side are you on? Whose side are you on?
Why, why, why?
Waste of time, we don't believe
Can't decide 'til you've hit the ground
Thank you much if you don't believe
Can't decide 'til you hit the ground

Make your mind, it's holding me down
(And I wanna get it)
Down
(And I wanna get it)
Down
(And I wanna get out)
You don't think that I don't know
'Cause I do, nice try
'Cause that's what you really got
Lie, lie, lie, lie
That's something else you say
Say you're something else
Decide whose side you're on?
Whose side are you on? Whose side are you on?
(C'mon)
Whose side are you on? Whose side are you on?
Whose side are you on? Whose side are you on?
Decide one
