

Feel Me (Skit)

Jadakiss

Uh huh

All I want you to do is feel me

Why take time out, to give you the real me

Uh, uh, uh Ayo I grew up very athletic, hard headed

Thought I knew everything, wanted to do everything

I was spoiled, stubborn, the only child

So the only thing I could do was hold it down

Now this is something that I could tell you that's no bullshit

I always been wicked with the flow since a lil' kid

My first addiction, GI Joes and icies

After that it was light skinned girls and Nikes Breeze through junior high school, then high school

Couple of semesters of college and then night school

Moms start riffin', talkin' 'bout how she can't support a grown man

So the god start flippin'

Pops used to say shit, but never to me much

Was like he wasn't even there 'cuz we ain't agree much

Used to be gone for whole weeks at a time

Puffin' one eleven, used to roll three out a dime Then I found myself sleepin' in late, doin' nothing

Fuckin', runnin' with the niggas that was hustlin'

Shop wasn't open then, niggas was workin' for a pair of Jordans

The next two weeks they was broke again

Me and K keep havin' talks of gettin' Coke again

But the block was crowded we waitin' for an openin'

Meanwhile shit still slow we still flowin'

Never stop or look back we still goin' Bop passed the demo to Mary then she passed it to cousin

We thought it was on but it wasn't

And we can't blame nobody

Look at us now dog, we came in the game nobodies

Double R and Interscope, put that cake up

And we ain't go platinum but we made niggas wake up

Got 'em all talkin' 'bout pumpin' the brick

And they only go and see papi to get somethin' to sniff I'm 'bout to fuck the game up for real like in the World

Series

Nigga that parachute down in the field

I don't rap I provide you bars

And the pain is invisible, but you can't hide the scars

So y'all never be on the level that we're on

Ability to have dope thoughts and spit heroin

I'm good just wakin' up that's how I know I got one more chance

To go and cash in and cake it up
