

# Rock 'n' Roll Winter (Loony's Tune)

## Wizzard

It's a wonderful rock â€˜n' roll winter, baby

It's so sad to leave you cryin' in the rain  
Silly girl, those drops won't mend your heart again  
If your most important things don't go your way  
Come on, come on, come on  
Let's save the day

Oh, we're gonna make some rock â€˜n' roll this winter  
Now my teenage heart has said hello to you  
Oh, there's gonna be some rock â€˜n' roll this winter  
It's a wonderful rock â€˜n' roll winter, baby, (baby) oh-oh-oh-oh

Through the icy rain, the northern winds may blow  
But now your friendly music keeps me warm each night  
It's the perfect pleasure you might never know  
Come on, come on, come on  
You'll be alright

Oh, we're gonna make some rock â€˜n' roll this winter  
Now my teenage heart has said hello to you  
Oh, there's gonna be some rock â€˜n' roll this winter  
It's a wonderful rock â€˜n' roll winter, baby (baby)  
Oh-oh-oh baby (baby)

Almost every song I dream of in the end  
I could dedicate to you, my lovely friend  
Though my conversation may be tired tonight  
Come on, come on, come on  
It'll be alright

I know we're gonna make some rock â€˜n' roll this winter  
Now my teenage heart has said hello to you  
Oh, there's gonna be some rock â€˜n' roll this winter  
It's a wonderful rock â€˜n' roll winter, baby (baby)  
It's a wonderful rock â€˜n' roll winter, baby (baby), oh baby (baby)

Oh, we're gonna make some rock â€˜n' roll this winter  
Now my teenage heart has said hello to you  
Oh, there's gonna be some rock â€˜n' roll this winter

It's a wonderful rock 'n' roll, wonderful rock 'n' roll winter  
Oh baby (baby), oh baby (baby)
