Animalistic

Nivea

I'm animalistic, smearin my lipstick, stretched like a gymnast
U better bring the jungle in the room, cause Ima be the lion in the room (yeah)
(Repeat)Boy you swear you can hang,hands on my hips eyeballin my chains
All men are the same, try spittin the game loud, shoutin ya name
Always switchin some lanes,floss the car keys wanna brag his range
He wanna brag on his thing but he needs some help that's why he wanna know if you swingGet on your job, stay on the job
I'm workin good, I'm workin hard
9 to 5, this ain't no jive
I need a man, set me on fire
(Chorus)All up on the phone, braggin bout how he be breakin it off
Now what I recall, three minutes later the paramedics takin him off
He back at the bar, up in the club, spendin them dubs
I seen him all up on her,messin with him you betta off witha girl
