

# Lookout for Yourself

[Julia Nunes](#)

Thinking about all the stuff that I gotta make up to make you believe.

I am covering up anything that might make anyone wanna leave.

Try to sweeten the deal, just go for mass appeal.

'Cause you're not gonna stand in the rain unless you've gotten something to gain. Somebody told me that not  
know it's worth all the trouble you have to go through.

Trying too hard to make everyone happy don't work no matter what you do. So lookout for yourself (So lookout  
for yourself).

Defending for yourself (Defending for yourself).

Every man for himself (Every man for himself).

Then you end up by yourself (You end up by yourself).

So lookout for yourself (So lookout for yourself).

Defending for yourself (Defending for yourself).

Every man for himself (Every man for himself).

Then you end up by yourself (You end up by yourself). So lookout for yourself (So lookout for yourself).

Defending for yourself (Defending for yourself).

Every man for himself (Every man for himself).

Then you end up by yourself (You end up by yourself).

Thinking about all the stuff that I gotta make up to make you believe.

I always knew I'm detached more than you but that doesn't mean that I wanna leave.

Nobody wants to hear that. No, nobody wants all the facts.

But if I don't speak the truth, I walk away without saying a word to you.
