

Lucifer's Slaves

Electric Wizard

We are Lucifer's Slaves
Born dead we'll never be saved
When we're high we are free
Our blood weed & LSD'Cause, losers got nothing to lose
We are sick of your abuse
The Chosen Few and The Living Dead
We're all Lucifer's Slaves in the endDead souls reborn to kill
Now undead we cannot feel
We are the Antichrists
We are the New Reich
Fuck your world, fuck everythingLucifer's Slaves
Beyond being saved
You can't beat the dead
