## The Dandies

The Dandies - Na Na Na

I believe, pulse means I have a purpose  
It's nearly, it's nearly too good to be true  
You'll see, you want it, you can have it  
That girls a kick in the chest

Na Na Na

1,2,3, she's got them shiny green ones  
My Niemsi, the forest for the tree stump  
I can't be, what makes me be unhappy  
That girls a kick in the chest

Na Na Na
