

Crusader of Hopelessness

Refused

Stretch out in your Christ pose
Marionette of lost hope
Your sadness at the expense of the world
You're dying to be this
You're living to be this Energy wasted
Feeling sorry for ourselves
We didn't deserve it
We didn't deserve it Using a thousand apologies
As a thousand excuses for
Making the same mistakes Crusader of hopelessness
Crucified by yourself
What do you know about suffering? So full of reasons not to see
The possibilities to change
This suffocation, turn it into focus
'Cause we don't need this
'Cause we don't need this Using a thousand apologies
As a thousand excuses for
Making the same mistakes Forget about your self-pity
Forget about your petty problems
Forget about your small world Forget about your self-pity
Forget about your petty problems
Forget about your small world Forget about your self-pity
Forget about your petty problems
Forget about your small world Forget about your self-pity
Forget about your petty problems
Forget about your small world Using a thousand apologies
As a thousand excuses for
Making the same mistakes
