

Magic (Peachy & Murphy Mix)

Olivia Newton-John & WACCI

Come take my hand
You should know me
I've always been in your mind
You know I will be kind
I'll be guiding you Building your dream has to start now
There's no other road to take
You won't make a mistake
I'll be guiding you
You have to believe we are magic
Nothin' can stand in our way
You have to believe we are magic
Don't let your aim ever stray
And if all your hopes survive
Destiny will arrive
I'll bring all your dreams alive
For you
I'll bring all your dreams alive For you
From where I stand, you are home free
The planets align so rare
There's promise in the air
And I'm guiding you Through every turn I'll be near you
I'll come anytime you call
I'll catch you when you fall
I'll be guiding you
You have to believe we are magic
Nothin' can stand in our way
You have to believe we are magic
Don't let your aim ever stray
And if all your hopes survive
Destiny will arrive
I'll bring all your dreams alive
For you
I'll bring all your dreams alive
For you
You have to believe we are magic
Nothin' can stand in our way
You have to believe we are magic
Don't let your aim ever stray
And if all your hopes survive

Destiny will arrive
I'll bring all your dreams alive
For you
I'll bring all your dreams alive
For you
