Resist

Biohazard

Free people will never remain free
If they are not willing, if need be
To fight for their vital interests[Incomprehensible]I watch your bullshit from the outside in
Your disrespect and hate
You think you're better than your fellow man
Controlled by fear you seal your fateHow could you step on me
Violate, desecrate and hate me
But I'm just like you, like you
Flesh and blood, I'm only humanI resist the pressure
To be who you want me to be
I resist the pressure
I resist so I am freeI see right through your condescending ways
As you look down on me
But I could never stand and judge like you
I resist so I am freeMy peace of mind
Peace of mind will set me free
But I'm just like you, like you
Flesh and blood, in need of revolutionI resist the pressure
To be who you want me to be
I resist the pressure
I resist so I am freeI resist, I resist, I resist so I am freeI resist the pressure
To be who you want me to be
I resist the pressure
I resist so I am freeI resist the pressure
To be who you want me to be
I resist the pressure
I resist so I am free
