

Jesus the Soccer Star?

Rob Biagi

the Bible says that Jesus wants to be with me
the Bible says He cares when I am blue
the Bible says that Jesus was a joyful human man
so how would He live with me and you?
would He be?

Jesus the soccer star? - would He play with us?
Jesus the music star? - or would He drive the bus?
Jesus the big, tough guy - or would He treat my brother cool?
or would He say, "I just came here" to love you?
to love you-oo-oo, yeah

the Bible says that Jesus wants to be with me
the Bible says He cares when i am blue " boo hoo!

the Bible says that Jesus was a joyful human man
so how would He live with me and you?
would He be?

Jesus the soccer star? - would He play with us?
Jesus the music star? - or would He drive the bus?
Jesus the big, tough guy - or would He treat my brother cool?
or would He say, "I just came here" to love you?

the Bible says that Jesus wants to be with me - that's right!
the Bible says He cares when i am blue " boo-oo hoo-hoo!

the Bible says that Jesus was a joyful human man
so how would He live with me and you?
would He be?

Jesus the soccer star? - would He play with us?
Jesus the music star? - or would He drive the bus?
Jesus the big, tough guy - or would He treat my brother cool?
or would He say, "I just came here" to love you?
Jesus the soccer star? - would He play with us?
Jesus the music star? - or would He drive the bus?
Jesus the big, tough guy - or would He treat my brother cool?
or would He say, "I just came here" to love you?
